## **Monarch Butterfly Tag and Release Day Saturday, September 20, 2014!**

### *Announcement*

(Norfolk, VA) –Join Norfolk Botanical Garden (NBG) and the Butterfly Society of Virginia for the 5th annual Monarch Butterfly Tag and Release event on Saturday, September 20, 2014 from 10:00 a.m. to 4:00 p.m. After an informational briefing at the Butterfly House, guests will tag a Monarch butterfly and release it into the Garden. There are 50 butterflies tagged each hour.

The Monarch migrates in late summer to early fall to Mexico. They can travel up to 100 miles per day with a total journey of nearly 2500 miles. In Hampton Roads, the peak season for the Monarch migration is September 18 through September 26. It's perfect timing to say farewell to our exquisite friends!

All guests will receive a certificate with the tracking number for their specific butterfly. The Butterfly Society will assist guests and answer any additional questions. It's a unique and exciting experience for the entire family!

Guests have enjoyed personal encounters in the Butterfly House with the hundreds of butterflies that have called the Garden home since it opened in June. The Butterfly House is open daily from 10:00 a.m. to 7:00 p.m. through Sunday, September 21, 2014. **The Monarch Tag and Release event and the Butterfly House are free with Garden admission.**

*The Garden is truly a masterpiece with wildlife emerging and flowers blooming daily.*
