## **Norfolk Botanical Garden – Annual Spring Plant Sale Mother’s Day Weekend - EVERYTHING MUST GROW!**

*Announcement*

(Norfolk, VA) – Norfolk Botanical Garden (NBG) will host its **Annual Spring Plant Sale** beginning Friday, May 9 through Sunday, May 11 from 10 a.m. to 5 p.m. daily. This Mother's Day Weekend, the Garden will have more plants than ever before! The event is open to the public with the exception of an early bird special for NBG members from 9 a.m. to 10 a.m. each morning. There are thousands of plants to choose from including the 2014 Signature Plant – Milkweed, *Asclepias tuberosa* (pictured above). This signature plant is part of our upcoming Summer Exhibit **Mission Monarch: Project Milkweed**. The summer exhibit will focus on the issues and solutions for the declining monarch butterfly population. The Monarchs need Milkweed and we need Monarchs - we can all make a difference one plant at a time! The Garden will offer a variety of azaleas, hummingbird and butterfly plants, clematis, hydrangeas, perennials and much more!

The NBG Annual Spring Plant Sale has long been known throughout the region as one of the best places to pick up unusual plants at bargain prices. Visitors will find a wide variety of plants from the rare and unusual to the proven winners for the Hampton Roads region. Garden-goers are sure to find the perfect plant to create a special look for their garden.

The Garden’s horticulture staff will be on hand to provide expert advice and help to customers. Click [here](#) for more information and a printable complete list of available plants.

Join NBG as we embark on **Mission Monarch: Project Milkweed** this summer.  
*The Garden is truly a masterpiece with wildlife emerging and flowers blooming daily.*
