"SEXUAL ENCOUNTERS OF A BOTANICAL KIND" - THE MOVIE
ODU/NBG TWILIGHT LECTURE SERIES

Norfolk, VA (February 17, 2009) - Dr. Timothy Motley, presents the movie: "Sexual Encounters of a Botanical Kind." There is more to plant reproduction than you might think. Motley is the Robert J. Stiffler Chair of Botany at Old Dominion University (ODU) and Director of Science at Norfolk Botanical Garden (NBG). This movie is a part of the Twilight Lecture Series, a partnership between ODU and NBG.

You may have read the books, now see the movie for yourself!

When: Wednesday, February 18, 2009 | 7 pm - 9 pm

Cost: FREE for all individuals with botanical curiosities and
natural history interests.

Location: ODU, Deihn Fine and Performing Arts Center Room 107

Parking is free in nearby 43rd St. Parking Garage (43rd and Elkhorn St.) as long as you do not park in a metered spot on first floor. Deihn Fine Arts Center is located on the corner of 49th and Elkhorn St. and is a short stroll past the Kaplan Orchid Conservatory.
